Senate bill No. 127, transferring the normal schools of the State to the counties in which they are respectively situated, coming up as the special order was read a second time. Mr. Dennis moved that the bill be indefinitely postponed.

Mr. Barbee made an eloquent speech in favor of the bill, and Mr. McGregor defended with equal eloquence and logic the maintenance of the normal schools as they are at present provided for. The motion to indefinitely postpone failing to prevail Mr. Newman offered a substitute for the bill. The substitute provides for the transfer of three schools to the counties in which they are situated, namely, Concord school in Mercer county, Glenville school in Gilmer county and the West Liberty school in Ohio county, thus leaving three in Gilmer county, Glenville school school in Ohio county, thus leaving three schools—one in each Congressional district—to be maintained by the State. After some little discussion Mr. Newman withdrew his substitute, and the question recurring on ordering the bill to its engrossment and third reading, the Senate refused to so order by a vote of 11 to 12.
